How Does Cardio Shield Work?

Cardio Shield uses a blend of natural ingredients to support cardiovascular health and maintain optimal blood pressure levels. Key ingredients like hawthorn berry, olive leaf extract, hibiscus, green tea extract, and ginger are chosen for their specific benefits in promoting cardiovascular wellness. These ingredients work together to dilate blood vessels, reduce oxidative stress, and support a healthy inflammatory response, ultimately contributing to normal blood pressure levels and overall heart health.

Key Ingredients in Cardio Shield:

- Juniper Berry: Helps lower blood pressure by acting as a diuretic.
- Uva Ursi: Promotes the elimination of excess fluids, reducing pressure on blood vessels.
- Buchu Leaf: Supports fluid balance and reduces strain on the heart.
- Vitamin C: Promotes healthy blood vessel function and reduces oxidative stress.
- Vitamin B6: Supports nerve function and reduces homocysteine levels.
- Folate (Folic Acid): Promotes healthy blood circulation and prevents homocysteine buildup.
- Vitamin B12: Regulates homocysteine levels and aids in red blood cell production.
